• Our Program •

Pepsi Coliseum Youth Hockey Association is affiliated with USA Hockey. Located centrally in Marion County, the Pepsi Coliseum is on the Indiana State Fairgrounds. Our players come from Marion, Hendricks and Hancock Counties. Many parents agree that the Pepsi Coliseum hosts the most conveniently located youth hockey program for their families.

The season starts in October and ends in March, so the kids get a full season of ice time and an opportunity to learn from coaches and players of the Indiana Ice.

Our program builds the skills, confidence, and sportsmanship needed to learn to enjoy and play at any level your child desires!

Hockey is a lifelong sport, with many players continuing to participate recreationally throughout their lives.
